

# Send Your Wishes on Wings

*There is an Indian Legend that says: "If anyone desires a wish to come true they must first capture a butterfly and whisper a wish to it. Since the butterfly cannot make a sound, it cannot reveal the wish to anyone but the Great Spirit who hears and sees all. In gratitude for giving the butterfly its freedom the Great Spirit always grants the wish."*

*Butterflies are a powerful symbol of transformation and new beginnings. Come release the grief of a loss, set an intention for that which you want to welcome into your life, or celebrate a new beginning. Whisper your wish to a butterfly as it takes flight and be transformed!*
